4. Criteria.

a. Age.

(1) Minimum age. Age for enrollment in OCS is 18, if appointment as a commissioned officer at this age is allowed by State law.

(2) Maximum age. Candidates must be commissioned prior to their 35th birthday. The State or Territory Adjutant General or Commanding General may grant an age waiver up to the candidate's 35th birthday. Waiver requests for candidates over age 35 must be forwarded to National Guard Bureau Personnel Policy and Readiness Division (NGB-ARH) for approval. The NGB will not consider waivers for soldiers who will reach the age of 40 or over upon the projected date of commissioning.

b. Citizenship. Applicants must attain United States citizenship prior to appointment.

c. Test Scores.

(1) Applicants must achieve a General Technical Aptitude Area (GT) score of 110 or higher on the Armed Services Vocational Aptitude Battery (ASVAB).

(2) A qualifying score of 850 on the SAT or 19 on the ACT is required to meet OCS eligibility criteria for those candidates without a baccalaureate degree. In accordance with reference 1c, the validity period for qualifying SAT and ACT scores is now ten years. An Officer Selection Battery test score of 90 or higher taken prior to 1 October 1997 is acceptable in lieu of SAT or ACT test scores. Applicants may take the SAT or ACT test one time free of charge at each State Education Office. The test may be taken as often as necessary to achieve a qualifying score.

d. Education. Applicants must provide a certified copy of an original transcript from an accredited college or university documenting a minimum of 60 semester hours prior to enrollment. Candidates must attain at least 90 semester hours prior to appointment. Those applicants entering an accelerated program must have completed 90 semester hours prior to the start of OCS. Officers should be counseled regarding the requirement to complete a baccalaureate degree to become eligible for promotion to Captain and they must complete their branch Officer Basic Course within 24 months of commissioning.

e. Medical.

(1) Officer candidates must pass a physical examination in accordance with AR 40-501, chapter 2, prior to the first day of OCS. However, in exceptional circumstances The Adjutant General (TAG) may allow a candidate to enroll in OCS without a completed physical. The candidate must complete the required physical NLT 90 days following the completion of OCS Phase I or be disenrolled. Candidates allowed to enroll in OCS pending the physical must be counseled in writing that they may be disenrolled later due to physical defects, injuries, and/or diseases if the condition is disqualifying. Applicants for OCS must meet all procurement medical fitness standards prescribed in AR 40-501, chapter 2, or receive all necessary waivers for disqualifying conditions from NGB-ARS (see subparagraph 4). In these cases, entrance into training does not constitute grounds for later qualification or waiver.

(2) Chapter 2 physicals are valid for appointment for two years from the date of examination provided there is no significant change in the individual's medical condition. If the chapter 2 physical is more than one year old at the time of commissioning, the soldier must complete DA Form 7349R, Initial Medical Review-Annual Medical Certificate. The State Surgeon or appointed medical officer must screen and approve the DA Form 7349R. A certified copy of the DA Form 7349R, SF 2807-1 and SF 2808 must accompany the applicant's OCS enrollment packet/file.

(3) Initial AR 40-501, chapter 4 physicals approved by the U.S. Army Aeromedical Center, Fort Rucker, Alabama will fulfill chapter 2 physical requirements. However, a class 2 maintenance examination will not fulfill chapter 2 physical requirements. The additional requirements beyond a class 2 physical which comprise a chapter 2 physical are found in paragraph 8-12 of AR 40-501.

(4) Send all requests for medical waivers, along with the following documentation, to National Guard Bureau Office of the Chief Surgeon (NGB-ARS), 111 South George Mason Drive, Arlington, Virginia 22204-1382.

h. Prior Training. An applicant must have completed basic training, advanced individual training (AIT) and serve a minimum of one year in a Selected Reserve unit prior to enrollment. The requirement for AIT may be waived by National Guard Bureau Training Division for the State OCS Enlistment Option Inductees Program.
